

## Crochet Shell Muff With Hidden Pocket

Knitcrate Vidalana Yarn from December 2019 Crate

Multiple of 6 plus 2

The muff finished measurements are 12.5 by 6.25 inches.

G Hook

DK yarn.

I used Vidalana by Knitcrate.

sc=single crochet

dc=double crochet

Repeat from \* to \*

Chain 56 (54 is multiple of 6, plus 2=56)

1.- sc in second chain from the hook, \*skip 2, 5dc on the next chain, skip 2, 1sc on the next chain\*. Chain 1, turn.

2.- 3dc on that same first chain, \*skip 2, 1sc on the next chain, skip 2, 5dc on the next chain\*. End with skip 2 and 3dc on last chain, chain 1 and turn.

3.- 1sc in that same first chain, \*skip 2, 5dc in next chain, skip 2, 1sc on next chain\*.

Repeat rows 2 and 3 for 25 inches.

Fold in half and sew or crochet the 2 thickness shut.

Make an I cord to go around the neck and as long as you want the muff to be. I used a hidden bag inside the muff, and sewed the top sides of the muff, to the bag.

Sew the I cord in place.

Sew the tops sides of the muff to where the zipper starts and ends.
